

Remembering you where remembrances are held most precious.

Jesus said, take this and eat and drink, this is my body and my blood which is being poured out for you as a libation for the sins of mankind. Life after many human failures eventually for all of us epitomizes itself in footsteps back to God as we obtain God's safety, acceptance, restoration and healing at the foot of the cross. There we are strengthened at the table of the Eucharist.

It is stated by a Protestant writer (1957 – 58), a Mr. Bevalacaua, writing about the Catholic Mass, and he concluded that the purpose of the Catholic Church is to get people to go to Mass. Why? Because Holy Mass with Christ's suffering, death and resurrection fulfills the four elements of authentic Religion (a) Adoration (b)Thanksgiving (c) Satisfaction / Reparation for the sins of humanity (d) Supplication by intercession prayer for others, and petition prayers for ourselves.
