

JMJ

Service of Love and Healing from Interior Insight to Holistic Healings.

Our God is a God on the move. A very basic question being made and asked among Christians of the world today is not “what ‘s going on in the Churches today,” but “What is going on today with God.”

True evangelism (spreading this good message) begins with you and me. Namely, let your personal religious experience in faith speak and help another person to change and give his or her life over to Christ.

Healing service...God cares for all of us in spirit, soul and body. Holistic Healing

Healing of a Lady's shortened leg into full and equal status.

God's healing experienced in demonstrative love.

“Lord, Jesus, bring us together and heal us of our wounds in spirit, soul and body.”

Our God is a God on the Move. The Gospel produces love and concern for everyone. The Gospel renders compassion to human suffering and pain.

The healing of man occasions nothing more but an event which creates faith.

Healing Moments from the Heart of God

SERVICE MEDITATION --- Gospel thoughts as Jesus did, leading into Healings of spirit, of soul (inner healings), and healings of body (physical healing).

October 4, 2011 -- St. Ann's Healing Shrine, Fiskdale, Massachusetts

REFLECTIVE MEDITATION THOUGHTS

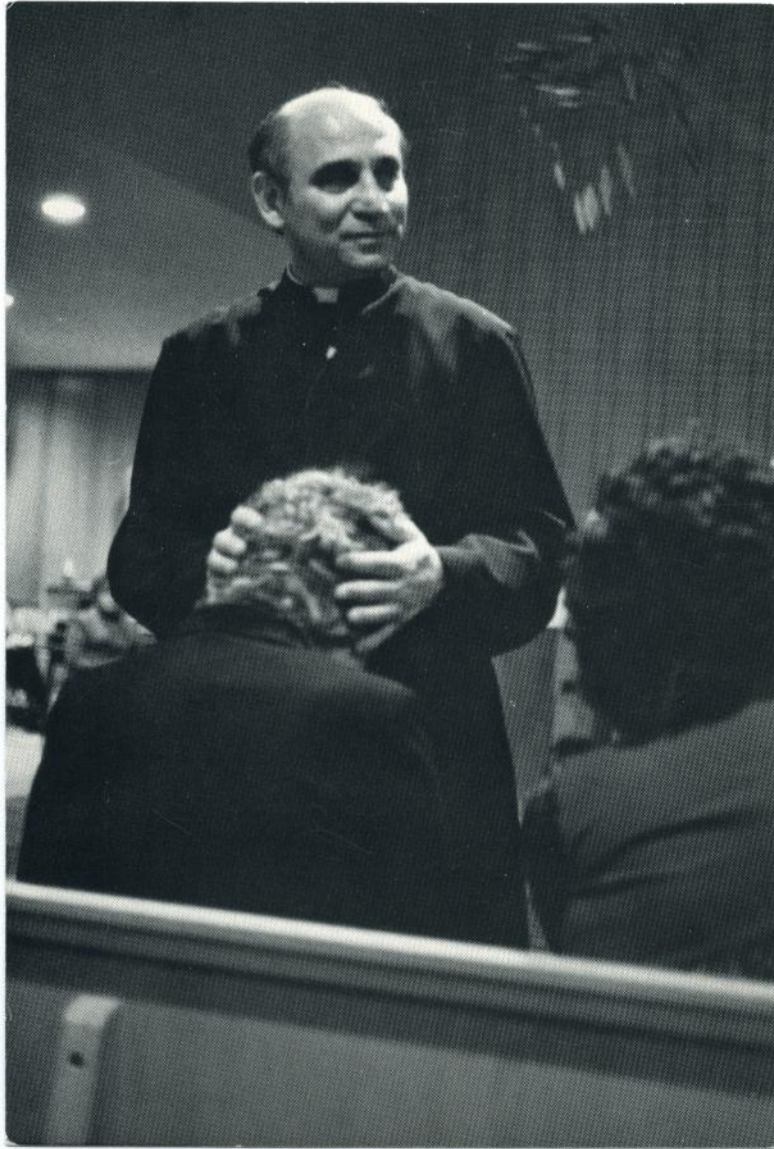

POINTS

for

PERSONAL REVIVAL , RESTORATION

and

Divine Direct Healing Love

To Build and To Heal is a Noble Task

(President Lyndon B. Johnson)

I would like to make a meditation --- With You who are all here today.

Our basic Scripture from Jesus is mentioned in Matthew 6: 5-13 .

It is a Teaching about Prayer and Rest in the Lord: peace time and silence.

Reflection into Healing:

A- Have you ever seriously **Figured Out** “ Your Being That Marvelous Person God made you to be?

- 1- Don't lose yourself
- 2- Answer to possible healing (mostly for the majority of persons) can be found in some following questions.

QUESTIONS are:

- a- You can never obtain this unless you know yourself.. do you really know yourself?
- b- In this world of contemporary occupations and multiple distractions, it is very easy to get lost. Are you traveling without a compass to your life?
- c- It seems that everybody, including loved ones, seem to need always something from you. Are they stripping you empty?
- d- They seem to expect something from you constantly. Do you have much more to give?
- e- SO: pressures come at you from every side. Are you tired, weary?

Yes!

We do give. This is your honest answer... at least verbally !

Why?

You may answer: To make them happy, and at times even ourselves to say that we did something -- **maybe to make others like or love us, but we are not really contented with ourselves.**

DANGER 1:

a- We really are not happy inside of us

Because:

We attempt to be what others want of and from us.

THEN:

We feel not loved for ourselves.

DANGER 2:

- 1- We may lose ourselves
- 2- We may fail to discover ourselves as we really are
- 3- We will fail to discover what God planned for us in creating us.
- 4- We tried hard to please others but not ourselves

BIG IMPORTANT Question: into our healing attempt:

- 1- Did you lose yourself in this **Maze** of human living?
- 2- Do you feel empty, lost, lonely, loved or not loved ?
- 3- Do you feel a failure?
- 4- **Are you only a people-pleaser?**
- 5- How have you failed yourself ?
- 6- Are you not happy because you know you are not in God's will?
- 7- Something is wrong !

CONCLUSION ... into Healing RESOLVE:

1- You need time **to rest aside:** Matthew 11:28

“ ..are you burdened and tired, come to me, and I will give you rest.”

2- To think:

Mark 6:31

“Come to a deserted place and rest awhile.”

3- To pray

Jeremiah 6:16

“ Thus says the Lord,

Stand beside the earliest roads, ask the pathways of old: that history
and the lessons to be learned from it,
Which is the way to good, and walk it.

Thus you will find rest for your souls. “

4- Then you can rise again into a new birth experience.

Conclusion two:

Come to know your identity

You need to make today a precious moment into healing “ **a stand to
Know yourself.”**

BUT Not nor **NEVER** as a slave to others. You are a human person.

You are not a thing; You are not a function.

You need to make yourself known to YOU !.

In so doing, then God will reveal:

your identify:

Your direction

Your calling

God's will for you

SO:

This is the Time for Your ALTAR CALL:

God is not asking you for a date:

God is calling you to whom you were meant to belong...not for an evening, nor a day; but forever.

Do not be afraid to give him your hand. Oh, yes, He will take you whole arm. He will take your whole self - your heart, your mind, your life and your soul.

And the joy of it is that you will always be never a loser, but a winner.

God is asking for your heart. Better still: God wants your love from the bottom of your soul.

If first you give your heart today to his love and doing His will,

Then you will find your happiness, and your healing.

HOW ?

Now we are going to have a quiet moment of five minutes with ourselves here in silence and prayer. Then we will have a few of you to tell us what you first said to God, and then God revealing and speaking his wisdom and love to you.

What will happen?

What will happen is this:

We will learn to pray with a Simple Heart and Soul.

God's only and greatest attribute in which all the other perfections are found is that God is Simple (not mixed in any way). This is His greatest perfection .

Cf. Matt 6: 5-13

"Domine, Doce nos orare -- Lord, teach us how to pray"

And when you come in prayer before God,

"come with no theatrical production."

(Bible: S O L O -*The Message*-- by Eugene H. Petterson.)

No! " no role-playing before God."...just simple little talk **just as you are.**

No need for masks, no pretenses, no fears, no embarrassments, no "Thou's,"-- no bargaining, no stiff-necked colorful rubrics probably having no soul. Just be and bring simple You. **Bring God the love from the bottom of your soul.**

Bible Paraphrase:

Be quiet, be peaceful, and **then your focus will shift from self to God**. You will be surprised to find yourself in a New Horizon. The heavens will open for you; they will pour upon you a bucket full of graces, a bucket full of blessings.

Pray simply: I repeat this over and over again. **GOT IT ??????**

Let us Pray together:

“Dear Father, reveal yourself to me –Who you really are.

Set me and the world right.

I am yours. I shall let you have your way. You alone are the way, the Truth, and my Life.

Dear Father, through Jesus your Son, do keep me always yours.”

(add here your own thoughtful , very personal expressions, from the prayer book of your soul).

Now, let us spend a few moments of silence followed by God’s healing ministry.

Amen.
